- **Torano 2022 Kick Ranch Sauvignon Blanc**

Dick Handal's perspective on the Denier-Handal Selections:

### **Denier-Handal 2020 Family Blend**

This 2020 vintage is a "kitchen sink" blend that combines fruit from Mendocino & Sonoma Counties with a small percentage of fruit coming from other counties like Lake County. Cabernet Franc from Dry Creek Valley, Dolcetto from Russian River Valley, Malbec from Lake County, Sangiovese from Mendocino County and Zinfandel from Paso Robles. This wine is an all-around beautiful winner! Our label reflects the hard work of the harvest, honoring and giving thanks to our vineyard and harvest team members.

### **Denier-Handal Chenin Blend**

We are always on the lookout for something new. Three years ago, we decided to offer a variety of white wines. The large production of Sauvignon Blanc and Chardonnay serves our market well. We started testing a wide variety of fresh, fruity white wines made with other great European grape varieties. We chose to start with a wonderful Viognier, a Chenin Blanc Blend, and the Portuguese grape, Verdelho. All of these are grown in North Coast vineyards. We are certainly happy with the results. We're sure you will find these different wines a welcome change of pace.

A newish Pinot Noir from Dot Wines which is sure to be a favorite! It's certainly one of ours.

### **Dot 2021 Roan Pinot Noir**

The Roan Family Vineyard is in Green Valley. Winemaker Lise Asimont affectionately refers to this district as the cold heart of the Russian River Valley. Ripe mulberries and blackberries, dried cherries, tobacco, and leather aromatics lead into raspberry, bright plum, and juicy black cherry flavors with a long finish of baking spices and sandalwood.

You will find tasting notes and technical information on these wines soon on the Locals website.
