

## 2020 Family Blend

### Winemaker Notes:

2020 Family Blend is a wine made with fruit from some of our favorite vineyards in California. In the mix is Sangiovese and Petite Sirah from the Venturi Family vineyard in Mendocino County, Malbec from Hopland area, Dolcetto from Russian River, and Cabernet Franc from Dry Creek Valley. The varied characteristics in the fruit shows well in this blend that represents our love of making wine. For this wine, we honor the men and women who harvest fruit. Without them we are nothing.

### Tasting:

Our family blend has a beautiful ruby color that shows nicely in your glass. The blend has a beautiful aroma of light spice, blackberries and cooked plum. We get flavors of cooked fruit, berries, spice and earth. The wine is great paired with light to hearty fare. From ratatouille to pork tomato sauce.
